

## Industrial Marketing Solutions listed as Key Services Provider by the Irish Exporters Association

The Irish Exporters Association is Ireland's only trade association 100% dedicated to the facilitation and development of exports. The IEA offers members a broad menu of support and services covering everything from patents, export and logistical processes, R&D assistance and business consultancy services.

Industrial Marketing Solutions is proud that we have been listed by the Irish Exporters Association as a provider of export sales and marketing support.

### About Industrial Marketing Solutions :

We are a sales, marketing and channel development agency specializing in the electronics, engineering and industrial markets. Located in Ireland and the UK we primarily work with companies looking to develop European markets for their products. Unlike other agencies we will manage projects from start to finish, working as your outsourced partner in both planning and implementation.
